DEBT DURATION

REFINANCED DEBT MATURITY PROFILE

- > The graph below shows the debt profile for the Trust, on the basis of the forward start SMBC facility being drawn down to repay the \$110 million MTN maturing in May 2022

OUTLOOK

OUTLOOK

Operating environment

- > The Trust is well positioned operationally with 85 per cent of rental income from Bunnings and a further 14 per cent rent from other national large format retailers
- > Demand for Bunnings Warehouse properties is expected to remain relatively stable in near term with the Bunnings covenant continuing to attract strong investor support

Rental growth

- > 23 CPI/ 23 fixed rent reviews in second half FY2022
- > Eight Bunnings MRR's to be finalised in FY2022 (in addition to eight unresolved from FY2021)

Portfolio

- > Primary focus for the remainder of the financial year is on filling any vacancies in the portfolio, progressing store upgrades, rezonings and extending Bunnings leases through the exercise of options
- > The Trust will continue to look for opportunities to acquire assets where there is good potential for value creation

FY2022 distribution

- > Subject to there being no major COVID-19 or other disruption of the Australian economy, the Trust could expect the distribution for the year ending 30 June 2022 to be similar to the ordinary distribution paid for the year ended 30 June 2021
- > Capital profits may be utilised to support the distribution
